VIEW FROM THE DUGOUT

Welcome to the Slee Blackwell Solicitors Stadium this afternoon, and a warm welcome to everyone who has made the journey from Bracknell Town. We hope you enjoy your time with us and have a safe journey home after the game.

Last weekend brought the disappointment of exiting the FA Cup. The boys gave a spirited performance and left everything on the pitch, but unfortunately it wasn't enough to progress. While that result hurt, we now turn our focus back to the league and the challenge of putting points on the board, starting today in front of our home supporters.

The fixtures are coming thick and fast, and I can't fault the effort, energy, and commitment the lads are showing. Week in, week out, their

performances have been strong, and I firmly believe the results will follow. This is a tough, unforgiving league where no side hands out points freely. Every result has to be earned, and we are determined to outwork, outrun, and outplay the opposition to climb the table.

It is important to keep driving standards within the group and training this week again was bright, sharp, and full of energy, with the players driving the performance levels.

The team spirit in the dressing room is fantastic — there's a real togetherness about this group, and that bond will be vital as the season progresses.

I'm proud of the style of football we are playing, and with the backing of our supporters, I know the squad will continue to push forward.

Your support makes a huge difference, and the players feel it every time they step out on this pitch.

Thank you, as always, for getting behind the team. Let's enjoy today's game and keep building together.

Up the Yellows!

Asa 🧡

VIEW FROM THE BOARD

Good afternoon and welcome to the Slee Blackwell Solicitors Stadium for today's Southern League match against Bracknell Town. I'd like to welcome the Bracknell Team, Committee and Supporters to Tiverton.

Personally, it's taken a few days to recover from our exit in the FA Cup. Everybody at the club was hoping for a run in the competition this season so to fall at the first hurdle hurt, however I'm incredibly proud of the players and management. Anybody who watched the match saw the passion, determination and will to win that the players displayed, they were playing for the team and for the club. I compare this to our exit at the same time last year where we barely put up a fight against Wimborne and lost 3-0, and it is night and day. We have a young, hungry squad of

players led by a great management team and I have no doubt whatsoever we are going in the right direction.

The Under 18s will have by now played in their FA Cup match scheduled for Thursday 4th and hopefully won. The footballing ability in this young team is special and I think we will see some of them feature at points in the season for the first team. The Women's Team plays their first ever match at home in the FA Cup on Sunday and it would be great to get over 100 supporters at this match, back the team and we can help it develop and grow.

I'd also like to take this opportunity to thank our brilliant group of volunteers, there's too many to name individually but they know who they all are. Genuinely your club couldn't function as it does so smoothly without them. If you or anyone you know would like to get involved, come and find me on a matchday.

Onwards and Upwards.

Matt ❤️

The Yellows wait for an FA Cup run goes on. A high scoring, entertaining game was won by the Peacocks, whose 4-3 victory saw the Yellows fall at the first hurdle.

There were lots of firsts for Tiverton in this game; attacking players Dan Koita, Aiden Horne and Tor Swann all got off the mark in the goal sense and Tiverton scored their first home goals since the final day of last season. However, that can't hide the disappointment of exiting the FA Cup at this stage or a second loss of the week against our local rivals.

A couple of changes were made to the team, as Asa Hall and Steve Orchard also decided on a change of formation with the player manager dropping into a deeper defensive role to make up a three with captain Toby Down and fellow central defender Matt Wood.

In came Brooklyn Wilkins into a right wing back position and Corey Koerner took that role on the opposite side. Gabe Billington joining Toby Stephens in the middle of midfield, with Swann moving infield and playing on the right side of Billington and Stephens, Aiden Horne partnering Dan Koita, with Jacob Wellington and Louis Jagger Cane having to make do with a place amongst the substitutes.

There were three different starters for Richard Luffman's Taunton. An enforced change saw Niall Thompson, who got injured in Monday's game not deemed fit enough to begin the match, so Brodie

Montague who replaced him then, came into the line-up and Jacob Hodgson and Jacob Towns were also in the eleven, at the expense of Jayden Nielsen and Owen Brain.

It was a rainy ninety minutes at the Slee Blackwell Solicitors Stadium and Tiverton didn't get off to the best of starts. After conceding a free kick as early as the third minute, Alfie Moulden's delivery was headed home emphatically by club captain Jacob Hodgson, who rose almost unchallenged.

George Burton then saved smartly to deny Kane Simpson, with the visitors on top and the Yellows were looking a little disjointed early on. Tivvy battled to get a grip in the game, though despite this the midfield promptings of Toby Stephens and the busy Horne hurrying defenders, were on occasion making some inroads into the Peacocks territory.

Tiverton won a corner on twenty minutes which keeper Frankie Phillips punched away, through a crowd of interested Yellows and shortly after this Taunton gave away a free kick out wide and from the inviting cross in, Hall's close-range header was not far away.

Alfie Moulden then had a good chance to extend the away sides lead, though after winning possession and driving forward and bearing down on goal, committing defenders, he fired wide of Burton's goal.

The possession count was becoming in the favour of Asa Hall and Steve Orchard's men, as they looked to restore parity. Horne's high press and lively running alongside Koita who was winning his fair share of flick ons was unsettling the experienced and talented partnership of Nick Grimes and Austen Booth in the heart of the Peacocks defence.

When our strike force was able to run at Taunton and break the shackles of their backline, they caused problems. Koita embarked on a skilful carry from just inside the visitor's half, but a heavier touch than he wanted when entering the box saw him take the ball out of play for a goal kick.

In the 31st minute a neatly constructed move from the Somerset side involved ex Willand and Tiverton man Moulden again. Shifting the ball away from his marker, he played in the dangerous Ben Seymour. A strong block from Tivvy's rearguard though, closed the door.

Toby Stephens who's consistently accomplished performances are extremely encouraging, then skipped past a Peacocks defender, as he was found venturing forward following some good link-up play through the team. Just as Stephens was about to cut into the area his progress was ended when he was tripped.

The resulting free kick didn't pay dividends, but good pressure was applied from it and Taunton hurriedly cleared and it was the Yellowws at this point who were in the ascendancy and on the verge of half time they deservedly levelled, Koita cutting into the area, from along the byline, beat a few desperate challenges, before squeezing his effort beyond Phillips and just beyond the

goal-line, opening his account for the campaign in fine style.

It was no more than Tiverton deserved, who after a difficult opening played impressively. All square at the break then and the game on tender hooks.

Resuming, following the interval, the fast-starting Yellowws pushed forward from the whistle and played with attacking intent and a few minutes in we took the lead. A pass played Koita in and a penalty award on him after he was tripped in the box wasn't required, with Tor Swann following up and stroking the ball into the net.

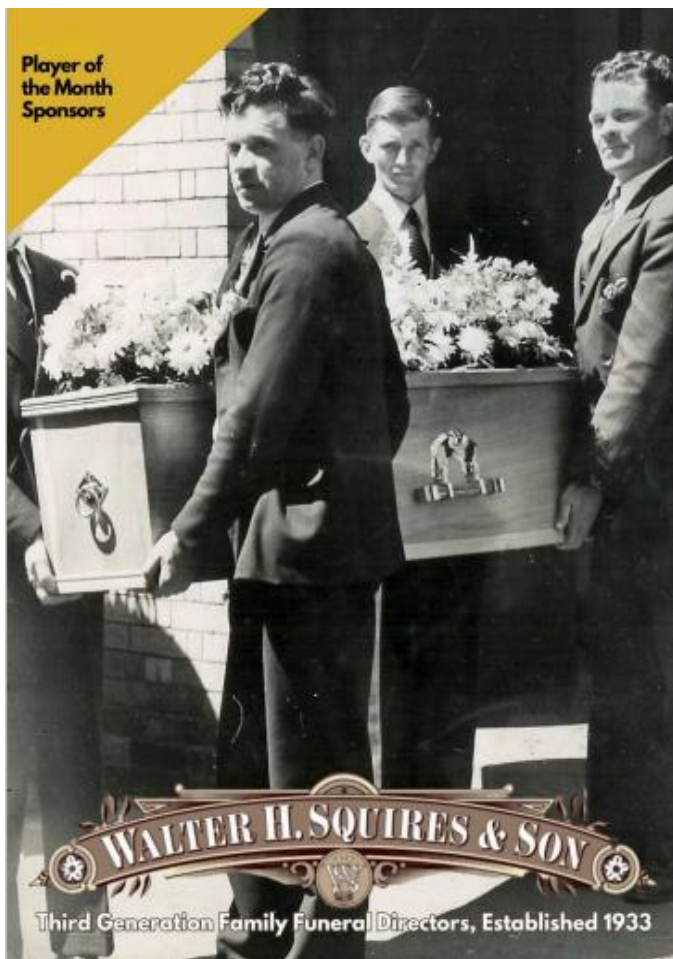

This silenced a strong travelling away support and sent our supporters into raptures. However, The Yellowws joy was short-lived, with the Peacocks response almost immediate and ten minutes later the sides were on equal terms.

In the 50th minute Tiverton had George Burton to thank, for a good save to deny a determined Taunton. Brodie Montague then headed over, as Tivvy were pushed back. A second header from Montague looped into the far corner and with 57 minutes on the clock, it was 2-2

On the hour mark the Yellowws fell behind. The momentum was with the away side and Montague a defender by trade, showed good technical ability to score once again. A rifled volley from the edge of the box was struck sweetly and gave Burton no chance.

With 63 minutes played Steve Orchard brought on Zack Williams for Brooklyn Wilkins in an attacking change. Tiverton regained a little composure, and a good reaction stop from Phillips was needed as Koita burst through.

However, in the 70th minute Tivvy's task was made even harder. A miscommunication in the backline left Burton exposed and former Yeovil midfielder Josh Owers tucked the ball into the largely unguarded net.

All the Yellows' hard work to overturn a 1-0 deficit had been undone in a thirteen-minute spell, where we had conceded three goals. Defending is a team game, front to back. Asa Hall and Steve Orchard will be concerned by these fragilities, but we must also give Taunton credit for asking plenty of questions of us during that period.

Though there is no shortage of guts in this Tiverton side and although many would have considered that fourth goal to be a knockout blow, we quickly climbed off the canvas.

With some excellent interplay and crisp passing, the ball came to Swann and his precise pull back from the byline was ruthlessly fired home by the onrushing Horne, whose hardworking display warranted his first goal in competitive fixtures since joining in the summer.

So, 73 minutes on the clock and it was 3-4. Jacob Wellington and Louis Jagger Cane both entered Proceedings, replacing Gabe Billington and Corey Koerner who had given good accounts of themselves, within minutes, as Tivvy pressed hard for an equaliser.

Tor Swann was seeing a lot more of the ball, as The Yellows ramped up the pressure and with Koita's good movement readying himself for a tap in, as the striker advanced between the penalty spot and the six-yard box, Swann delivered a similar

pull back to the one that assisted our third goal, but it was agonisingly intercepted.

Then Asa Hall headed back across, with Tiverton pouring forward from a corner. Much to his frustration Phillips plucked the ball out of the air and his header didn't bear fruit.

Seven minutes of added time were played. During it, Tivvy were reduced to ten men, when Matt Wood received a second yellow and despite a lot of intense pressure being applied from Asa Hall and Steve Orchard's men, the Peacocks prevailed and jubilantly celebrated with their fans. Saints fan Luffman bringing his Mick Channon goal celebration and the big Elvis wind up out of storage.

For the Yellows, who were deserving of a replay, this was a hard one to take. A heart-breaking loss to ponder against our well drilled local rivals.

There is always lots to admire from this, predominantly young team and it was another heartening display by all in a yellow shirt.

Tiverton: George Burton, Brooklyn Wilkins (63), Corey Koerner (85), Toby Stephens, Matt Wood, Toby Down (c), Tor Swann, **ASA HALL**, Dan Koita, Gabe Billington (74), Aiden Horne.

CURIOUS ABOUT GEORGE

Fresh from signing on the dotted line for the Yellows this summer, swapping Silver Street for the Slee Blackwell, George had this to say. "Really happy to be back at Tivvy. I remember, albeit only briefly my time with the club a few years ago, really fondly and I`m delighted to have this opportunity to help the club push on".

"From the outside looking in last season, things were a bit turbulent here, what with managers coming and going but the club is in a really good place now. We`ve got great leaders in Asa & Steve and the new lads that have come in, me included, have settled in quickly and I`m really excited for what's ahead".

George, 29, began his career with Woking back in 2012, where he spent 3 seasons and during his first season, he was part of the squad that won promotion to the Conference Premier

after they won the Conference South title with two games to spare before another 3 season-stint followed, this time at Hartpury University.

George then found himself at Plainmoor in 2018, alongside a certain Mr. Asa Hall, where another league winners medal followed as the Gulls won the National League South at the end of the 2018/19 season.

The first spell at Ladysmead for George followed in the summer of 2019, as part of the pre-season squad, alongside Lewis Williams, who the Yellows plumped for as their number one at the time.

George then took a break from the game, around the time of the Covid pandemic but was soon back in the game, when the lure of Silver Street and Willand Rovers was too good to resist in the summer of 2021, where he spent four seasons, which included Rovers highest ever league position finish at the end of the 2023/24 season.

MEET THE VISITORS

Bracknell Town Football Club, formed in 1896, as Old Bracknell Wanderers and changed its name to Bracknell F.C. in 1949.

The club played in the local leagues until joining the Great Western league. After four seasons in this league and renaming the club Bracknell Town in 1962 the club was elected to the Surrey Senior League, which they won in the 1969/70 season.

The club also won the league cup in 1968/69 and 1969/70. After this success, the club entered the Spartan League (later re-named the London Spartan League) and finished runners up on goal average in 1975/76, in which they also reached the fifth round of the FA Vase.

After winning the league in 1982/83, they were promoted in 1984 to the Isthmian League Division Two South. They were promoted to Division One as runners-up in 1985/86, finishing third in their highest ever league

placing. However, in 1988/89, Bracknell Town were relegated and following a re-organisation of the Isthmian League were placed in Division Three in 1991/92.

2016 – 2017 At the start of the 2016/17 season under the guidance of new chairman Kayne Steinborn-Busse the club embarked on a major re-development of the ground with the installation of a state-of-the-art 3G pitch, changing facilities and club house and in-keeping with this total modernisation re-branded the club logo.

The club reaped major benefits from this work with all teams down to the youngest age group were now able to play and train at Larges Lane.

2017 – 2018 In 2017/2018 season we had a titanic battle with Thatcham Town for the top slot, both teams accumulating 98 points for the season with Thatcham Town's superior goal difference of 104 goals securing the title by a mere 2 goals.

However, due to a restructure of the leagues our efforts were rewarded with promotion to Step 4 into the Bostik South Central League. We also managed to get our own back by beating Thatcham in the final of the Bluefin Sport Challenge Cup to add yet another trophy to our collection.

2018 – 2019 The 2018/19 season was our first venture into Step 4 for many years and once again we came close, finishing second behind Hayes & Yeading and missing out on promotion by losing the play-off final to Cheshunt. We reached the semi-final of the Velocity Trophy with impressive victories against sides much higher up the footballing pyramid.

The Covid Years Despite both the 2019/2020 and 2020/21 seasons being cut short by Covid, the club's on-field ambitions were matched by our efforts off the field. We embarked on a project to move away from Larges Lane to build a new 2500 capacity stadium at Bottom Meadow, Sandhurst, which hosted our first competitive match in August 2021.

2021 – 2022 This was a monumental season for the club, we gained promotion to Step 3 for the first time in our history. The Isthmian League South Central title secured with 96 points out of a possible 108 with a 20-point winning margin.

2022-2023 Under the guidance of joint managers Jamie McClurg & Carl Withers our first season in Step 3 was one that will go down in the club's history. Reaching the 1st Round of the FA Cup and home tie against Ipswich Town FC, one game away from the quarter finals of the FA Trophy, our journey ending in a home defeat to Altrincham FC. Runners-up in the Southern Premier, missing out on promotion to Step 2 to a 90th minute

goal against Truro Town in the play-off final.

2023 – 2024 Our 2022/23 on-field successes did not come without a cost. Our squad became somewhat depleted; several players were lured by clubs with a bigger budget. However, with the players that remained loyal to the cause, we will rebuild, the club's journey will continue.

As a club we remain ambitious, our newly formed U18 teams, The SB Group Sport and Education Academy, Sandhurst Town and Bracknell Town will now benefit from a state-of-the-art 3G pitch, the first of its kind in the UK that was completed during the summer of 2023, at the SB Stadium, Bottom Meadow, Sandhurst.
